

After the Honeymoon: Keeping the Love Alive in Your Relationship

**Thursday,
September
30th
2010**

Are you looking to enrich a healthy relationship, revitalize a tired one or rescue one in distress?

We all want a lifetime of love, support and companionship.

Sometimes we need a little help to achieve it.

Sue Blue, founder of Blue Life Coaching, along with the staff at CLE invites you to attend an evening dedicated to enhancing your relationship.

Join other couples as we:

- Recognize our emotional attachment and dependence on our partner
- Learn ways to be better attuned to one another.
- Have deeper more productive conversations.
- Learn from some of the latest studies on building more loving relationships.
