

GRAPPLING WITH GOD: THE BATTLE FOR AUTHENTIC FAITH

Join Rich Blue as he introduces his new book, *Grappling with God: The Battle for Authentic Faith*. This weekend will be a life transforming experience of learning how to identify the mistaken family rules, myths and beliefs which unconsciously undermine your ability to have a life full of joy, aliveness and adventure. You will learn how to use principles to guide your relationships and inform the way you tackle your life. This weekend is about letting go and taking off the gloves in your relationship with God and each other. Grow with God as you stretch yourself.

On this weekend you will:

- Learn and be inspired by a number of different Bible characters and stories.
- Identify the unconscious rules and beliefs that run your life.
- Take responsibility for how you miss out on the joy of life by living as if your projections are true!
- Explore and discover how to live by life transforming principles.
- Get the support and skills needed to begin transforming your life.
- Enjoy the power of being a part of an alive and authentic community of likeminded individuals who want to make a positive difference in their families, communities and the world.
