

# CLE Satellite Groups Workshop: Introduction to CLE

**Feb 27  
2010**

Many of you have asked for a time when all the leaders as well as participants can meet together. Here is your time!

By bringing all the satellite groups together, this workshop will be a time to introduce you to others engaged in growth work, as well as to the CLE staff. You will gain an understanding of our vision, learn the philosophy behind our approach, and be challenged to implement tools to enhance your daily life. We would love for you to take advantage of this opportunity for continued growth and want 100% participation to effectively deepen group relationships as we work with you to create a vision and develop life changing support.
