

## KEYS TO THE KINGDOM: PRINCIPLES OF ABUNDANT LIVING

**L**earn how to feel your feelings and use them to discover the deeper hungers of your soul. Let go of your soft addictions and replace them with the nourishment and satisfaction that comes from experiencing genuine community. Uncover your true self and let go of your dependence on the approval of others by learning the skills necessary to have authentic and meaningful relationships.

### On this weekend you will:

- Identify and embrace your most authentic self.
- Create and experience more meaningful connection with others.
- Learn the DNA of authentic and dynamic relationships.
- Experience the power of caring community
- Receive training in the use of some of the most powerful personal growth tools:
  - Principles of Attachment Theory
  - Wright Developmental Model for Personal Transformation
  - Assignment Way of Living

### **Speaker:**

**Rich Blue**, M.A., LCPC, NCC, BCPPC,
