

The CLE Spring Retreat: From Attachment Wounds to Wholeness

May
14th-16th
2010

Do you want to grow in your sense of self?
Do you want more meaning in your life?
Do you want more compassion for yourself, connectedness with others, and courage to be yourself?

Join us for this year's CLE Spring Retreat. We will be exploring how we can be more authentic, tell more truth in the here and now, experience our feelings in order to enhance our aliveness, have more acceptance of ourselves, and experience more intimacy with each other.

We will be using the lessons from Attachment Theory along with the power of the CLE community, to perceive each other accurately, in the here and now, with positive regard, unconditionally, and consistently. Join us on this weekend adventure where you will grow and enhance your sense of self and find more meaning and satisfaction in your life.
